June 20-24, July 18-22, Aug. 15-19, 2016

Children ages 7-11*must be reading to enroll & Juniors ages 12-16

Our half-day summer golf camp programs are designed to create interest and foster development in beginners and intermediate golfers. Enrollment is limited to 6 students per session. Each campers week will include at least five hours of directed on-course real time instruction, as well as a half hour of group instruction each day.

For 2 hours each day, campers can play & sharpen their skills on the course with experienced teaching professionals. A strong emphasis is placed on the fundamentals—stance, grip, posture, full swing, rules & etiquette. There are simple real world golf techniques that allow even the youngest of campers to enjoy the hands-on learning environment here at 3 Lakes. Outdoor games, indoor instruction and on-course discoveries are an integral part of the curriculum. As the week unfolds, campers receive quality short-game instruction and by Friday, each camper will see improvement in his or her golf game, have made new friends and feel confident with a golf club in their hand!

Highlights Include

- 2 hours of small group instruction each day with low student/teacher ratio
- Camper package including a 3 Lakes Golf Course hat, one dozen golf balls, a golf camp workbook, 3 Lakes bag tag and other great prizes
- Safe, healthy and fun learning environment
- Lunch provided each day for campers in the 19th Hole includes choice of PB&J, turkey, ham or cheese sandwich or a hot dog, snack & choice bottle of water or juice box (\$5 value)
- Presentation and reception provided on Friday for all campers and families
